A little about SAM(main charecter)

Sam Loved Halloween..She Loved the spookiness and just wandering down in the dark,

She Just Moved to a new state.And now lives in a small town of Bristle-wood.And Tonight Sam had plans big plans.She didn't have any friends yet and knew exactly how to make some.She just had to wait for halloween night to come....

The story

Wake up! Mom called pounding on Sam door.Sam shot up right away with excitement ,today was the big day.She had everything ready to go.She just needed a place to set up her big surprise.

Sam hopped trait out of bed and quickly got dressed.Grabbed her cart with all the supplies needed for her Make-New-Friends plan and a piece of bread.

Bristle-Wood Adored Halloween.All the schools gave the kids a week off of school to prepare for the big night.

HEY MOM I GOTTA GO! Sam yelled. I NEED TO GET MYSELF READY FOR TONIGHT! Do you really think it ill take all day to get ready? Her mom asked as she walked down the stairs. Yeah sam replied I got a lot of work to do. Ok then see you later i guess.

Sam grabbed her cart full of supplies and headed out. I need a spot for my big plan she thought. Walking down the cracked sidewalks of Bristle-Wood she saw no possible places to set up. She walked for what felt like hours and right when she about to give up she saw a tree. Just standing lonley tree with nothing around it. Sam saw a girl around her age walk by and asked her. Do you think I could set up something here? The girl looked at Sam as if she had 20 heads. Ohhhhhh Your new here. She then said. Well I guess you can just dont disturbe the tree. She must have some nature problem Sam thought. Ok thanks Sam said. Sam took out her fold up table and put a red tablecloth on it right underneath the branches of the tree. She took out her imac and put it on power saving mode so it wouldn't die on her. She had some red streamers to(to represent blood) and hung the from the tree branches. She finally had everything set up except for two things her beats and turntables. she connect the imac to the turntable and plugged in the turntable to the amp. she had already set out. She dj/party surprise was going to make everything think she was the coolest girl ever. She put a leave like table cloth on top of everything else so no-one would even think that anything valuable was underneath. Sam started to walk back home worried that someone might try to take her stuff.

*I'm back, Sam cried. I was started to get worried i thought you may of got lost. sam's mom said. Yeah sam replied that took a lot longer than i expected it to. WellIt's 1:00 Clock, you have 5:00s to buy a costume if not already. And I am really proud of you to volunteer to play music for the halloween party! For that I may add more data to your phone already helping out the community and we just moved here!!! Uh.....Thanks a lot? Sam said and walked to her room. When she shut the door to her room she couldn't help laughing a the fact her mom actually believed she would HELP anyone *here*.*

She got out her costume for tonight. A costume blue jacket that said "Tops" On the back and cap that had gems all over it. (Hightops is Sam's dj name Tops is for short)

She put on her "costume" and on her way out the door she grabbed a banana for her lunch and headed to her DJ station. All she had to do now was wait for night to fall.

Night fainlly came and younger kids were already out trick-or-treating. Sam already had her beats on ready to start. At first she put on her favorite song. And turned on her amp. Kids were already walking twords her. They were all around her age wich made Sam happy becasue that prbley meant that these kid go to her school. The next song sam wanted to play was the witchdoctor mixed with some monster mash in the song. Everyone seemed to be dancing

Sam did this all night playing tracks she made, just normal songs, and songs merged in with another to sound reallly cool. It was about 2:00 and everone started to leave when a boy a little older than Sam came up to her. Your Cursed. He said. The tree was disturbed now ur gonna be

cursed. Whaaaa? Dude do you have some mental problem? Sam asked him. No. He said he turned around and disappeared in returning from trick-or-treaters. Sam sent the 50th txt that same night saying she was ok and will be staying out a little while longer. Sam decided to close down shop since everyone was leaving. By the time everything was in the car and the streamers were thrown in the trash there was no-one left on the street.

The wind was picking up and Sam sensed a storm coming. She noticed she couldn't see the stars which meant clouds were hanging over her. Then out of nowhere she heard a low moan like when someone's so hungry they feel sick to the stomach kind of groan. The Moan startled Sam and got her moving. It freaked her out. And the POP! A little boy just popped up in her face. AH! Screamed Sam WHAT THE HECK BOY R YOU TRYING TO KILL ME?

No..... The boy said. I.... Just.... want to let you know..... that..... I don't LIKE BEING BOTHERED. Ok,..... Said Sam Trying to walk past. But She couldn't MOVE her legs at all. What the.... she said WHAT'S GOING ON?

People were always bothering me the boy continued. Always teasing me saying I was a witch doctor. When really what I just made was a bit of science. Whaaa????? She said again. SILENCE LET ME SPEAK, Look boy im not going to be bossed around by you. The boy floated so his eyes could meet hers. Why? He then said. Im older, stronger than you plus I have the power to curse you. Sam screamed at the top of her lungs. WHY ARE YOU..... FLOATING????!!!! Cause I can. The boy replied.

I don't understand why I can't get my peace when I'm dead. When you die everything should be peaceful but no you think you can just PARTY

HERE BY MY TREE? Uhhhh dude sam started Im pretty sure the goverment owns that tree. NO I DO! No you don't but whatever sam said. I CAN MAKE YOU LIFE MISERABLE AND YOU DONT CARE!!!!!! Look little guy lets be honest im new here. Which mean I know no-one. Someone at my awesome party must of noticed the new girl getting a lot of attention and wanted to prank her. REALLY IS THAT WHAT YOU THINK?! The boy screamed STUPID MORTAL. I SHALL CURSE YOU WITH THE SONG. THE SONG WILL BE IN YOUR HEAD AND WILL BE THE ONLY THING IN YOUR HEAD. AND WHEN ANYONE SPEAKS THE ONLY THING YOU THINK THEY ARE SAYING IS THE SONG YOU SHALL NEVER SLEEP AGAIN..... Oh and please don't kill yourself cause the curse lasts in life and death..... And POP! The boy disappeared. The second The boy Disappeared Sam had a terrible head ache. She took out her phone a Googled The ghost of Bristle-Wood. He was obviously a ghost she thought and if he really is one then google would know.

And google did

The Ghost Of The Hanging tree is the ghost that lurks around Bristle-Wood. When the gost was alive He was a witch Doctor cursing everyone and making Voodoo dolls using them to torture his Targets. The town despised him. And The town leaders decided that he must be hanged. The poor guy was only a boy at age: 12.

Now IF you disturb him he will haunt you. Why? Cause he never ever got a goodnights rest and that's all he ever wants.

Great.....Thought Sam. This dude who wrote this probably had mental problems. And then She heard it. The Song. The song that should hear forever. And Sam did not like it at all.

*Death, Death come for me,
By the Hanging tree....
Death, Death call my name...
And End my Worthless life.*

The song just kept repeating and repeating. AHHHH Sam screamed. Dropped her phone and held her ears..... Then she fell on the floor and fainted for the noise in her head has grown so loud i was unbearable.

She woke up and the song started again in her head. HA! Freaky ghost boy! I JUST SLEPT! Well sota..... Than Sam's mom came in her room (she was found on the ground and he mom is trying to yell at her) and started singing.....

*Death, Death come for me,
By the Hanging tree....
Death, Death call my name...
And End my Worthless life.*

NOOOO!!!!!!!!!!!!!!! Sam Then screamed. The boy was right about when people talked to her all she heard was the song.

The past three days all she heard her mom say was the song. Sam could tell she was getting frustrated with her about this. So Sam did the only thing she could do. Tell Her mother she could hear at all. Sam took out a piece of paper and wrote. I can't hear ANYTHING. She gave it to her mom. He mom looked at it and nodded.

Sam's life was miserable even after death. And STILL is. She learned sign Language and Had many sleepless nights. She ended up being home

schooled before her school ever started. And She never got to be the cool kid she wanted to be. But something good did come out of it, (made her life no so miserable) Right about when Sam was going to hang herself by the hanging tree cause the song bothered her so much. The girl was there. She started to do sigh language. She signed

STOP DON'T! WONT IT LAST AFTER DEATH. Sam Looked and stoped. She was right. Im sorry the girl sighned. I shouldnt of let you set up there at all, I felt bad for and learned to sighn. So your life wont be to misrable and we could at least be friends. I also watched you get cursed and did nothing, Im am so sorry. Sams Face Lit up. My name is Sodias.

Sam And Sodias were friends forever even after life. Life was Death Easyier for Sam with Sodias around. She was he only being that understood what was going on.

*Death, Death come for me,
By the Hanging tree....
Death, Death call my name...
And End my Worthless life.*

The End
